About Irene & Tanner

TANNER, AND OWNER IRENE BARRIE, sprang into agility competition in 2004. Their collaboration to master the obstacles in this competitive sport qualified Tanner for competition at the **AKC INVITATIONAL IN LONG BEACH, CA** (in 2006 and 2007), where he was awarded for best 3-out-of-4 runs with placements in the 12"-Jump in 2006.

MAGNIFICO! July 2007, Irene and Tanner traveled to Montichiari, Italy as United States team members for competition in the **EUROPEAN OPEN AGILITY CHAMPIONSHIP**. Tanner's confidence for rapid movement combined with Irene's handling skill resulted in a clean and fast run. Tried and true, Tanner became a finalist in the individual competition, small dog division.

BREAKAWAY SPEED and overall agility has also earned the spirited Tanner a current ranking in the **TOP 20 OF COCKER SPANIELS IN AGILITY** by the American Spaniel Club, with rankings in 2006 and 2007 as well.

IRENE'S DEVOTION TO HER AMERICAN COCKER SPANIELS and their agility training find her competing most weekends in agility trials. She resides in Bulger, PA along with Tanner and the other members of her agility team. Prior to training, and handling her cocker spaniels in competition, Irene worked as a veterinary technician, and professional groomer.

Irene Barrie and Tanner, proudly accept MACH 5 Title on February 8, 2009.
